öJ#[]#öÿÿ####ÿÿ####@ÿĐ#ÿÿ#d#####d#####More rapid adoption of
technologyactivities to facilitate more rapid adoption of EDCS technologyEDCS
technology that facilitates more rapid introduction of new technology (i.e.,
technology that can accommodate more rapid change and prototyping, while
assuring reasonable system operation)Reduction of operational testing costs
operational testing requires management of the operational context in addition
to the system being testedEDCS technology may be applied to this broader context
to reduce such testing costs##
